

# BREE WILLIAMS

## THERAPIST

Briahna “Bree” Williams is a master’s level student at The University of Alabama. She is currently studying Clinical Mental Health Counseling and will graduate December 2022 with a Master of Arts. She has a passion for helping others and is a huge mental health advocate, these reasons are why she decided to pursue her master’s. Also in December of 2022, she will be working as a therapist at West Mobile Academy (inside of BayPointe Hospital) in Mobile, AL.

Bree Williams graduated from the University of Alabama with a BS in Operations Management May 2018; however, she did not believe she was fulfilling her passion or purpose in that field. In May of 2015, she enlisted into the Air Force Reserves, where she currently serves in Montgomery, AL. She is a Staff Sergeant, and her duties include load planning and being the career advisor for her entire unit, 25th Aerial Port Squadron at Maxwell Air Force Base.

In her spare time, Bree enjoys attending group fitness classes, hiking, or enjoying nature, and spending time with her fur-baby Diamond as well as friends and family.
